Car hire

In the event that, following assistance by MINI Insured Emergency Service, **your vehicle** cannot be repaired within four hours, **we** will, whenever possible, organise and pay for a replacement vehicle for up to two days. The rental provider will need to see **your** valid driving licence and **you** will be asked for a deposit to cover fuel charges and any additional days hire. For further information please refer to the Terms and Conditions relating to **United Kingdom** and **Republic of Ireland** Cover on page 26.

Vehicle redelivery

Provided that **your vehicle** has been recovered by MINI Insured Emergency Service to an Authorised MINI Dealer or MINI Service Authorised Workshop other than **your** local Authorised MINI Dealer

or MINI Service Authorised Workshop, **we** will arrange for it to be returned to **your** home address in the **UK** or **Republic of Ireland**. Alternatively, if **you** wish to collect **your vehicle** personally, **we** will pay the appropriate transport costs to enable **you** to do so.

Glass breakage

In the **UK** or **Republic of Ireland** we can, if required, contact an Authorised MINI Dealer or MINI Service Authorised Workshop on **your** behalf who will usually be able to arrange replacement glass for **you**.

Alternatively, if a repair cannot be effected at **your** location, **we** can arrange to have **your vehicle** stored securely until the necessary parts are available for repair. The additional benefits detailed in this document will not be provided in the event of glass breakage and **you** will be liable for the cost of replacement parts.

MINI INSURED EMERGENCY SERVICE TERMS & CONDITIONS RELATING TO UNITED KINGDOM & REPUBLIC OF IRELAND COVER.

All costs quoted within this document are inclusive of VAT.

Car hire

Whenever possible MINI Insured Emergency Service will attempt to provide **you** with a replacement vehicle from the repairing Authorised MINI Dealer or MINI Service Authorised Workshop. If **we** are unable to do so then a vehicle will be sourced through one of the major vehicle rental companies. Under any circumstances **you** must be able to comply with their conditions of hire.

You will be responsible for any fuel costs incurred during the period of hire. Certain endorsements on **your** licence may prejudice **your** eligibility to hire a vehicle. Insurance requirements stipulate that **you** must have held a full **UK** driving licence for a minimum of 12 months.

Release fees

Should **your vehicle** be stolen and subsequently recovered by the police, **you** may be asked to pay a release fee before **we** can remove **your vehicle** to an Authorised MINI Dealer or MINI Service Authorised Workshop or to **your** home address.

Although **we** can arrange to guarantee these costs on **your** behalf, the payment of such fees is **your** responsibility.

Specialist charges

In the event that the use of specialist equipment is required to provide assistance when **your vehicle** has, for example, left the highway, is in a ditch, is standing on soft ground, sand, shingle, stuck in water or snow or has been immobilised by the removal of its wheels, **we** will arrange recovery but **you** will be responsible for the costs. The costs may be refundable under the terms of **your** motor insurance policy.

Adverse weather conditions

On those occasions when **we** experience adverse weather conditions, such as high winds, snow, floods, etc., external resources may be stretched and some operations become physically impossible until the weather improves. At such times, **our** priority is to ensure that **you** and **your passengers** are taken to a place of safety and so the recovery of **your vehicle** may not be possible until weather conditions permit.

Punctures – Mobility System

Should **you** experience a puncture and **your** Policy Wording

vehicle is equipped with a Mobility System, details regarding its operation can be found in **your** owner's handbook or on the device itself. Alternatively, **we** will be happy to explain how the system works to help **you** carry out a temporary repair and resume **your** journey.

Lock out/lost keys

Whilst **we** will always endeavour to provide assistance by the most practical method should **you** be unable to gain entry to **your vehicle**, modern security systems make it extremely difficult for this to be achieved should spare keys not be available. If a forced entry is required, **you** will be asked to sign a declaration stating that you have given permission for this to take place and that any costs for resultant damage will be **your** sole responsibility.

Incorrect fuel

If **your vehicle** is immobilised as a result of refuelling with incorrect fuel, **we** will pay for the cost of recovering **your vehicle** to the nearest Authorised MINI Dealer or MINI Service Authorised Workshop. The additional benefits detailed in this MINI Insured Warranty handbook will not be provided in the event of refuelling with incorrect fuel.

- Any costs as a result of **your** being under the influence of intoxicating liquor, or solvent abuse or drugs

If **your vehicle** cannot be repaired in **Continental Europe** or if the repairs will not be completed before **your** intended return date to the **UK** or **Republic of Ireland**, **we** will arrange and pay for the repatriation of **your vehicle** to the Authorised MINI Dealer or MINI Service Authorised Workshop nearest to **your** home address in the **UK** or **Republic of Ireland**. Alternatively, following **your** return to the **UK** or **Republic of Ireland** and on completion of the repairs, should **you** wish to collect **your vehicle** personally, **we** will arrange and pay the cost of **your** outward journey.

The maximum amount payable by MINI Insured Emergency Service for vehicle repatriation will not exceed the market value of **your vehicle**.

Additional UK or Republic of Ireland car hire

If the only qualified driver travelling in the party is repatriated to the **UK** or **Republic of Ireland** due to illness, **we** will pay the cost of an alternative driver to return **your vehicle** to **your** home address in the **UK** or **Republic of Ireland** and arrange and pay for the costs of returning other **passengers** to their homes in the **UK** or **Republic of Ireland**.

If **you** experience any issues whilst travelling abroad with **your car**, even if **you** encounter a legal or medical problem **our** experienced team of multi lingual staff will be able to provide **you** with practical help and advice.
